

# WAIF's "30 for 30" Program

Can't wait to adopt a WAIF cat? Neither can they!

With your help, a second chance for a WAIF cat waiting for a loving home could be within reach. Adopting a WAIF cat, whose stay has been over 30 days, will **reduce your adoption fee from \$65 to \$30.**

If you are a Senior looking to adopt, your adoption fee may even be reduced further.
